

Dear Forrest Families

Here are a few reminders for families today November 25,2020

As all report cards are going home today, I hope that you have all connected with your child's teacher to conduct a by phone interview this Thursday night and Friday.

Next week please watch for parent tutorials for downloading the TEAMS app at home. We will be sending instructional videos to all families. These have been done by RRSD staff and will be a helpful tool for us all in the case of contending with remote learning as the current situation in Manitoba evolves.

**ALLERGY ALERT !!!Severe allergies to peanuts and nut products continue to be an issue in our school. Please do not send any food items that contain these products with your children, including snacks.**
