November 3, 2020

Dear Forrest Elementary students and families,

As you know, all schools in the province have been changed to "Orange Level" in the Manitoba Pandemic Response System. This means we must maintain 2 meters of physical distancing at all times. In order to achieve this at Forrest Elementary School, we are having to make the following changes:

As was circulated to our Grade 7 & 8 Families on November 2nd: Forrest Elementary Grade 7 and 8 students will be transitioning to Elton Collegiate on Wednesday November 4th. Forrest Grade 7 and 8 students will continue to be learning this year with Forrest staff who will continue to be their homeroom teachers at Elton Collegiate.

As a notice to Forrest Grade K to 6 Families for November 3rd: Starting November 4th the following configurations of homerooms will take place. K to 6 classrooms/homerooms will be split in half to two classrooms to help facilitate the 2 meter physical distancing requirements for Orange Level.

Forrest students will continue to follow as much as possible their current timetable and recess times to maintain as much familiarity as possible.

As we move forward Forrest Staff will do their best maintain positive and continuous learning experiences for our students.

Sincerely,

A handwritten signature in blue ink, appearing to be "CS", enclosed within a blue oval scribble.

Chad Stiles

Principal, Forrest Elementary
